CLASSIFICATION	Changes
GRAPE VARIETY	Riesling
VINEYARD SITE	Westhofener Benn, Westhofener Kirchspiel, Westhofener Aulerde, Osthofener Goldberg
GROUND DESCRIPTION	Loess-Clay, Limestone-marl
CRAFT	Inox
TASTING	<p>A cool expression of pink grapefruit, stone fruit and yeast with a strong minerality.</p> <p>On the palate predominates a chalky impression the acidity is wonderfully integrated and is supported by a fine and juicy fruit of apricot and apple.</p> <p>"The 2019 Riesling Trocken is super precise and flinty on the elegant and beautifully reductive and precise nose. Salty, fresh and piquant on the palate, this is a pure, linear and elegant dry Riesling with racy-mineral acidity and lingering salinity. Highly stimulating and straight, with good mineral grip and tension." Stephan Reinhardt for Robert Parker</p>
