CLASSIFICATION	Lage. Lage. Lage.
GRAPE VARIETY	Riesling
VINEYARD SITE	Kirchspiel
GROUND DESCRIPTION	Limestone-marl Limestone
CRAFT	24 hours skincontact - fermented spontaneously
TASTING	Fresh, juicy, sweet and drinkable. This is how we find our cabinet most beautiful. From our top location Kirchspiel we pressed our Reisling Kabinett this year, which is very fruity and slightly sweet. A pleasure paired with the great minerality of the parish!
