TASTING	"The 2019 Scheurebe Trocken is clear, pure and flinty on the aromatic nose that is reminiscent of tropical fruits such as passion fruit and mango, here intertwined with flinty and stony notes. Intense and juicy as well as piquant and, in a lovely way, phenolic, this remains one of Katharina's sexiest wines, and it drinks already very well. Stimulating grip on the persistently aromatic and spicy finish." Stephan Reinhardt for Robert Parker
