CLASSIFICATION	Cloudy by Nature
GRAPE VARIETY	Silvaner, Müller-Thurgau, Chardonnay
CRAFT	Maceration for a few days, minimally sulphurized and bottled unfiltered
TASTING	This year our Cloudy Blanc celebrates its premiere with a blend of Silvaner, Müller-Thurgau and some Chardonnay. A short maceration gives the wine a nice grip with pleasant phenolics and juiciness. Then pressed, spontaneously fermented and bottled with minimal use of sulphur. An extremely fruity and animating wine that we see as a great entry into our "Cloudy by nature" line.
