## STUART PIGOTT - JAMES SUCKLING

Stuart Pigott für [www.jamessuckling.com](http://www.jamessuckling.com) - 2020 Westhofener Kirchspiel Riesling „Alone, the fragrant stone-fruit, citrus and delicately exotic aromas (fruits and flowers!) are compelling. However, this also has stunning concentration and near-perfect ripeness, but the salty minerality is the dominant side of this dry riesling masterpiece! Breathtakingly fresh finish that doesn't want to stop!“ (97/100).

„Katharina Wechsler of Weingut Wechsler has cemented her position as one of most important winemakers on the Rhine.“

## FALSTAFF 2022

„Katharina Wechsler hat auch dieses Jahr wieder eine ebenso hochwertige wie spannende Kollektion präsentiert – die vergangenes Jahr eingeleitete Umstellung auf biologische Bewirtschaftung könnte ihren Teil dazu beigetragen haben.“

## THE WINE ADVOCAT

Robert Parker 2019: „Katharina Wechsler, based in Westhofen, has become more and more experimental in recent years. Her single-vineyard wines from Riesling and Silvaner are classics, but recently she has also been producing an Orange wine (a Scheurebe named Fahlfarbe) and a Pet-Nat. It will be exciting to follow her work over the next years, since she has obviously fully arrived in Westhofen.“
